2016 IHFDURBAN
40th World Hospital Congress

ANNOUNCEMENT

2016 Call for Abstracts

(Submission deadline 31 January 2016)

The 40th World Hospital Congress of the International Hospital Federation will take place in Durban South Africa, from 31 October to 3 November 2016. The IHF World Hospital Congress is a unique global forum that gathers key stakeholders and leaders that drive and impact decision-making at national and international levels, policy, management and finance in healthcare service delivery. **The Scientific Committee is pleased to invite proposals for oral and poster presentations.**

■ Congress theme and Tracks

Congress theme: *Addressing the Challenge of Patient-centered Care and Safety*

Tracks:

- Quality of Care
- Capacity Building in Leadership and Management
- Ethics and Medical Legal Issues
- Technology: Role in determining Clinical Pathways in Patient Care
- Governance and Accountability
- Financing and Universal Health Coverage
- Service Delivery: Innovations in delivery of Care and Hospital Services

■ Important dates

Opening date for the submission of abstracts	18 th December 2015
Closing date for the submission of abstracts	31 st January 2016
Notification to authors (to author's email address)	29 th February 2016

■ Submission process

- The Congress language is English. All abstracts submitted must be in English.
- All submissions for oral or poster presentations must be made electronically via the online abstract submission form <https://congress.ihf-fih.org>. Abstracts sent by post or email will **NOT** be accepted.
- All decisions regarding the abstract submission by the International Scientific Committee are final.**
- No honorarium or financial support will be provided to authors for abstracts accepted for oral or poster presentation.

■ Submission format

- Guidelines and online submission of abstracts: <https://www.ihf-fih.org/ihfcongressabstracts>
- Only abstracts in "final submission" status will be considered.
- The first author listed for each abstract serves as the presenting author and as the primary contact for all correspondence regarding the abstract.
- The abstract must address a non-clinical leadership and management question listed under one of the tracks.
- Authors assign copyright of the oral/poster abstract to IHF upon submission.
- Incomplete abstracts will not be reviewed.
- Acceptance/rejection notification will be sent by email to the presenting author by 29th February 2016 (**kindly ensure that an accurate email address is provided**). If an email notification is not received by 1 March 2016, contact 2016congress@ihf-fih.org. Rejection notifications will also be sent at the same time.
