IHF Awards – Call for Submission 2016

The **International Awards** of the **International Hospital Federation (IHF)** will be presented at the Opening Ceremony of the **2016 Durban World Hospital Congress**. The Awards recognize and honor hospitals and healthcare organizations for innovation, excellence, outstanding achievements and best practices in areas that are worthy of international recognition.

These awards present a unique opportunity to participate in a forum of likeminded innovators and to access a platform of dialogue with peers engaged in similar projects.

Submitted projects may vary depending on the nature of each organization, however, winning submissions will evidence innovation with significant outcomes, mobilization of staff beyond their normal duties and service improvement with a high return on investment. Chosen projects should have ample evidence and data to support its results, visible outcomes, staff recognition and support, potential for scaling-up or replication and previous national, regional or international recognition.

IHF Members and Non-Members are encouraged to submit projects for consideration. Congress Abstract Submitters may also participate through their healthcare organization.

Application Submission - Deadlines

Open - 15th February 2016

Close - 11th July 2016

Winner Announcement - 5th September 2016

※Entry submission is online only

Award Categories

IHF/ Dr Kwang Tae Kim Grand Award

Open only to **IHF Full and Associate Members** (台灣為 **Full Member**). This Award recognizes excellence and achievements with proven results at health system or facility level in all areas including quality and patient safety, corporate social responsibility, innovations in service delivery at affordable costs, and healthcare leadership and management practices.

IHF Excellence Awards

IHF Members and non-members who demonstrate excellence and achievement, with proven results at facility or unit level, will be eligible for one of the three Excellence Awards in:

- Leadership and Management in Healthcare
- Quality and Safety and Patient Centered Care
- Corporate and Social Responsibility

The winners will receive as prize recognition during the World Hospital Congress trophy ceremony, coverage of travel and accommodation expenses and complementary registrations. Other benefits will include a published article in a dedicated issue of World Hospital and Health Services, official journal of the International Hospital Federation as well as a webinar presentation to the international healthcare community.

Scoring Criteria

Entries will be scored by the Judging panels using the following criteria:

1. Originality/innovativeness of the project
2. Scientific rigor of the project
3. Clarity of writing/presentation of submitted entry
4. Scalability of the project in the region and rest of the world
5. Affordability of the project/ funding sustainability
6. Impact of the project on quality, efficiency and health outcomes

Scoring criteria specific to Award Categories

IHF/Dr Kwang Tae Kim Grand Award

- Entries which demonstrate the organizations excellence or most outstanding achievements in multiple areas such as quality and patient safety, corporate social responsibility, innovations in service delivery at affordable cost, healthcare leadership and management practices
