2017 International Reduced Port Surgery Forum

— Focus on HBP and GI Surgery —

November 18th, 2017

Administration Building 12F, Chung Shan Medical University Hospital, Taichung, Taiwan

0830-0850 Registration
 0850-0900 Opening Remark
 Superintendent : Chen-Ming Huang (Chung Shan Medical University Hospital)
 Director : Ming-Te Huang (Taiwan Association for Endoscopic Surgery)
 0900-0905 Welcome Speech
 Vice Superintendent : Chih-Yi Chen (Chung Shan Medical University Hospital)

Laparoscopic Lecture Section

0905-0925 The Reduced Port Surgery: Yesterday, Today and Tomorrow
 Speaker : Hsu-Cheng Lin (Chung Shan Medical University Hospital) Moderator : Jun-Yi Hsia (Chung Shan Medical University Hospital)
 0925-0945 Laparoscopic Reduced Port Hepatobiliary Surgery in Low Volume Hospital :How To Do It
 Speaker : Jhe-Syun Wu (Meimontie Christian Hospital) Moderator : Hung-Chi Chang (Changhua Christian Hospital)
 0945-1005 The Laparoscopic Hemiplasty From Multiple Port To Single Port : How We Adjust The Transition
 Speaker : Chih-Sheng Tsai (Taichung Hospital, Ministry of Health and Welfare) Moderator : Cheng-Chung Tsai (Kaohsiung Veterans General Hospital)
 1005-1025 Application and Trend of Energy Device in Single Port Hepatectomy
 Speaker : Ming-Te Huang (Taipei Medical University-Shuang Ho Hospital) Moderator : Jshu Chen (Kaohsiung Veterans General Hospital)
 1025-1040 Coffee Break
 1040-1110 Novel Technique Using Single Port Device in Minimally Invasive HBP and GI Surgery: Korea Experience
 Speaker : Sung Hoon Choi (GJA University, Bundang GJA Medical Center) Moderator : De-Chan Chan (Tri-Service General Hospital) (Huei Lai (National Taiwan University Hospital)
 1110-1130 Single Port Colectomy From Laparoscopic To Robotic Technique: How Do We Choose It
 Speaker : Chen-Chang Lu (Chang Gung Medical Foundation) Moderator : Shung-Haur Yang (Taipei Veterans General Hospital)
 1130-1150 Hepatectomy From Laparoscopic To Robotic Technique: How We Adjust The Transition
 Speaker : Chung-Yue Lin (Kao Foundation San Yatsen Cancer Center) Moderator : Ming-Te Huang (Taipei Medical University-Shuang Ho Hospital)
 1150-1250 Lunch

da Vinci Robotic Lecture Section

1250-1420 Live Demonstration: Robotic Single Port (Glove Port) Distal Pancreatectomy Surgery
 Moderator: Ming-Peng Chung (Shan Medical University Hospital)
 1420-1450 Reduced-port (Single-Site plus two) totally robotic gastrectomy: Korea experience
 Speaker : Taek Son (Severance Hospital, Yonsei University Health System, Seoul, Korea)
 1450-1510 Moderator : Ming-Te Huang (Taipei Medical University-Shuang Ho Hospital) * Van-Shen Shan (National Cheng Kung University Hospital)
 Robotic Single Site Plus Port Biliary Tract Surgery : How To Do It?
 Speaker : Shen-Nien Wang (Pingtung Hospital, Ministry of Health and Welfare) Moderator : Ming-Te Huang (Taipei Medical University-Shuang Ho Hospital)
 1510-1530 The Novel Technique in Robotic Pancreatectomy: Single Port or Single Port Plus One
 Speaker : Cheng-Ming Peng (Chung Shan Medical University Hospital) Moderator : Ji-Kuen Yu (Tung's Taichung Metro Harbor Hospital)
 1530-1550 Robotic Single Incision with Single Port Device in Gastric Resection: E-Da Hospital Initial Experience
 Speaker : Ming-Shan Tsai (E-Da Hospital) Moderator : Jsu Chen (Kaohsiung Veterans General Hospital)
 1550-1610 The Role of Nurse and Assistant Surgeon in Robotic Single Incision HBP and GI Surgery: How To Do It
 Speaker : Yin-Yao Lin (Chung Shan Medical University Hospital) Moderator : Chieh-Shiang Lee (Chung Shan Medical University Hospital)
 1610-1625 Coffee Break

Nature-Office Transluminal Endoscopic Surgery(NOTES) Section

1625-1645 Application of Transluminal NOTES Approach in Gynecologic Disease
 Speaker : Pei-Ju Wu (Chung Shan Medical University Hospital) Moderator : Mansheng Hung (Asia University Hospital)
 1645-1705 The Expanding Boundary - Integrate Robotic System with Laparoscopy in Transanal Total Mesorectal Excision (TaTME)
 Speaker : Chien-Chih Chen (Kao Foundation San Yatsen Cancer Center) Moderator : Shung-Haur Yang (Taipei Veterans General Hospital)
 1705-1725 Current Trend and Bottleneck in Nature-Office Transluminal Endoscopic Surgery(NOTES): Taiwan Experience
 Speaker : Cheng-Ming Peng (Chung Shan Medical University Hospital) Moderator : Ming-Te Huang (Taipei Medical University-Shuang Ho Hospital)
 1725-1730 Closing Remark
 Director : Cheng-Ming Peng (da Vinci Minimally Invasive Surgery Center, Chung Shan Medical University Hospital)
